

St. Marie's Catholic Primary School

Year 3 Spring Term Homework Menu 2024-25

Maths

Practice money handling – support your parent/carer when shopping to identify correct values and calculate change from given amounts.

Can you count in 3s, 4s and 8s? Remember to practice every day!

English

Write a detailed description of The Iron Man's body. Use adjectives to describe.

Write a diary entry as Hogarth, keeping us updated on what is happening with the Iron Man.

Science

Can you find any rocks outside?

Compare them—how are they similar? What makes them different?

What happens when you put them in water?

ICT/Computing

Create a digital poster telling others all about emailing and why emails are a good form of communication.

Physical Education

Practice moving whilst bouncing a ball. Use a range of throwing techniques to aim at a target.

Art

Make your own Iron Man structure just as you envisage him.

RE

Write about a journey you have made, illustrate it and explain why it is memorable.

Spanish

Draw a picture of a skeleton and label its body parts in Spanish.

Geography

Can you find out any facts about Spain?

Find 5 interesting facts about Spain linked to the Spanish culture, location or climate.

Music

Can you identify high or low pitch in popular songs?

Make up some actions to accompany songs you hear.

PSHE

Create a poster showing 5 things you are grateful for and why.
