

### **Art**

Use junk modelling materials to create your own character.

### **English**

Write a diary entry of Marcy's journey to Egypt. Use adjectives to describe her thoughts, feelings and fears.

Create your own riddle for your family to solve.

### **Science**

Create a puppet show using a range of materials. Focus on the importance of light and shadow to perform your puppet show to your family members.

### **Maths**

Practice telling the time on a clock or watch at different points in the day. Record what you were doing at 4 different points within a day.

Interview your family or friends on their favourite flavours of certain foods. Make a pictogram to represent the information you gathered.

### **Design Technology**

Draw a design of a pencil case for the use of a nursery child. Consider how it will open and close.

## **Year 3**

## **Homework Menu**

## **Summer 2025**

### **RE – To Know You More Clearly**

Record how you spread 'Good News' through your words and actions.

### **Geography**

Can you find the name of a river in each continent of the world?

### **Physical Education**

Practise balancing objects on top of each other, just like you would balance a tennis ball on a racket.

### **ICT**

Create a video all about your favourite TV show including text, images and speech.

### **PSHE**

Set yourself 3 goals to achieve before the end of Year 3.
