

English

Practice your spellings weekly and continue reading your reading book (even two pages per night is excellent).

Write a few sentences on how you look after our world when your at home.
(Remember to include a noun)!

Maths

Continue to practice number bonds to 10 and 20, moving onto numbers to 100.

Practice number formation.

Geography

Go for a walk with your adult and draw a picture of different features near your home or in your local area.

Can you decide if they are human or man-made features?

Year 2 Homework Menu

Autumn 1

2025/26

Science

Take a look at different objects around your house. Draw and label what materials they are made of.

What properties do they have?

My Happy Minds (PSHE)

Create a poster all about your brain and its different parts.

Art

Look at different pictures of animals and draw them using lines, curves and texture.

You could even go for a walk and draw any animals you see.

Physical Education

Practice the skills you have developed from learning about invasion games.

Celebration

Thursday 23rd October
